

Online Payment Form Instructions

Online fee payments are made through pay.gov, a program of the Department of the Treasury that accepts payment to various government agencies.

Who can pay online?

Those NOT registered as an ECF user may pay online. If you are an ECF user, continue to pay your filing fees through ECF. If you incur a fee through ECF and try to make a payment through the Online Payment Form, your account will be locked by the ECF system and prevent you from filing anything.

What fees may I pay online?

- Filing fee installments or full payment for Chapter 7, 11, 12 and 13 cases,
- Payment of other fees owed to the court for motions, amendments, or copies (NOTE: Minimum fee that may be paid online is \$5.01)
- **DO NOT SUBMIT Chapter 13 plan or Chapter 11 Plan payments through this system. Those payments must be sent to your case trustee as directed.**

What forms of payments are accepted?

- Debit card
- ACH (Automated Clearing House) – electronic payment from your bank account
- PayPal (if linked to a bank account)

When will my payment be processed by the Bankruptcy Court?

Debit card payments will be processed until 3:00pm on the date payment is accepted by Pay.gov. Payments received after 3:00pm will be processed the following business day. Make your payment prior to the due date to ensure that it is processed in time.

Please note that a \$53 fee is charged for any failed payments, including those resulting from the entry of an incorrect routing number or account number or from insufficient funds available.
